**PRE-SCHOOL PROGRAM**

The pre-school dance program gives dancers ages 3 and 4 an opportunity to learn the basic fundamentals of dance in a combination Ballet and Tap program. Students work to increase coordination, balance, rhythm and memorization of movements in a sequence in a fun yet highly structured 45 minute class. Students participate in the year end Recital in June.

**New: Pizzicato, a class for age 18 months - 3 year olds.** Pizzicato is defined in music as “little, quick musical accents.” This class is designed for students and their caregivers to take together. It is

during this age that musical potential is actively developing. Pizzicato is developmentally appropriate and has been created with the whole child in mind, using both musical and movement based principals that will be engaging, fun, and educational. Caregivers are active participants in the class. (Pizzicato is a non-recital class.)

### JAZZ & MODERN/CONTEMPORARY PROGRAM

**Jazz** is an upbeat form of dance known for its showmanship style used in musical theater productions. **Modern Dance** came from "breaking the rules" of ballet, while still improving strength, flexibility, and increased range of motion. Modern is a good choice for those not wanting the discipline of ballet, but needing to learn the basic foundation of technique.
